### **Meet our two New Riders:**

**Hi! My name is Cora!**  
This is my pony, Buttermilk,  
who is 25 years old and I am 4 1/2!

I am building muscle, confidence,  
and balance, while learning to dress  
Buttermilk.

**Hi! My name is Kinsley!**  
I am 5 years old and love learning  
how to dress Buttermilk.

This is heavy, but I can do it!  
We learn steps and names of each  
piece of tack we put on our pony.

**Please help us find a new young pony to start training. Buttermilk started at 5 years old!**

**Please read the inside letters written to you, to find out more of God's Miracles!**

# THANK YOU for giving us this Life Changing Opportunity!!!

I started out with two helpers, learning how to turn and stop Buttermilk.

I started with 3 helpers, than two, than one and soon on my own. It was great!

In no time, I was riding on my own in the big arena. I could also trot by myself. I am going to be a barrel racer.

By the end of the summer, by myself, I was driving Buttermilk all around and trotting in the arena.

**Everyone** rides on a scholarship of **\$640.00**.  
Our student's fee is **\$260.00** for the whole summer.  
**You** make the lessons **affordable for everyone!**

**Looking for Sponsors:**  
Child: \$640.00    Horse: \$2,500.00

## Mrs. Baker's First Grade Class from Grant School

This was their 20th year of learning about horses and riding. They also saved change each year and donated that change. Mrs. Baker retired after this year.
